

# UFO 30W INTERGRATED ALL IN ONE SOLAR GARDEN LIGHT

## Product Feature :

- 1.High class Integrated Aluminum alloy case .
- 2.Lighting mode with motion sensor
- 3.360° view angle
- 4.Over 3 nights lighting after full charge
- 5.Easy to install,Auto on/off
- 6.With remote control ,UVA technology ,bring high corrosion resistance ,30m remote control operation ,increase/decrease the brightness.

## Technology specification :

1. Lumen : 4000LM ( 30W Bridgelux chips3030 )
2. Solar Panel: 40W/18VHigh Efficiency Monocrystalline Silicon
3. LifePO4 Battery : 320WH/12.8V
4. LED Lamp:3PCS LED Lamp/Each 24PCS LED Chips
5. Waterproof : IP65
6. Working temperture : -25°C~65°C
7. Material : Aluminium alloy
8. Charging time : 9-10hours by bright sunshine
9. Remote control : Yes
10. Install Pole diameter : 70-75mm
- 11.Mounting Height : 3-5M ( distance10-17M )
- 12.Warranty : 3 years
