

NEPTUNE 10W INTERGRATED ALL IN ONE SOLAR STREET LIGHT

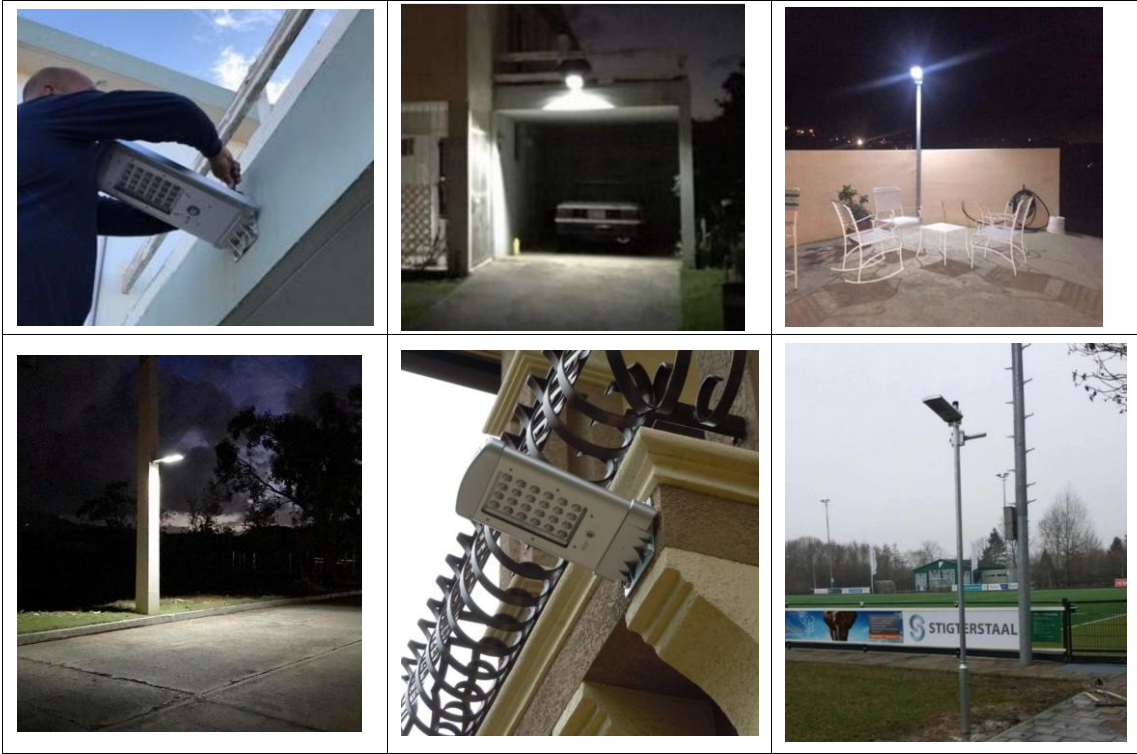

Product Feature :

- 1.High class Integrated die-casting Aluminum alloy case .
- 2.Lighting mode with motion sensor
- 3.120° view angle
- 4.Over 3 nights lighting after full charge
- 5.Easy to install,Auto on/off

Technology specification :

1. Lumen : 1000LM (10W chips3030)
2. Solar panel: 12W/18V High Efficiency Mono-crystalline Silicon
3. Lithium battery : 72WH/12V
4. LED Lamp : 1PCS LED Lamp/Each 24PCS LED Chips
5. Waterproof : IP65
6. Working temperature : -25°C~65°C
7. Material : Aluminium alloy
8. Charging : 6-10hours by bright sunshine
9. Remote control : No
10. Install Pole diameter : 60-65MM
11. Mounting Height : 2.5-3M (distance 9-10M)
12. Warranty : 3years
